

La Paz Intermediate School is Going Green...

Announcing Clothing & Shoe Recycling Greenraiser -
a free, convenient and eco-friendly fundraiser for our school.

La Paz Intermediate School has partnered with USAgain in an eco-friendly fundraiser providing our community with a bin to deposit surplus clothing and shoes. Together, we can turn unwanted textiles from **trash** to **cash** for our school. *It's as simple as cleaning your closet!*

The Benefits of Greenraiser

- ▶ Raise funds for our school.
- ▶ Reduce the amount of clothing sent to the landfills.
- ▶ 70% of the world wears secondhand clothing. Offer them an affordable clothing option.
- ▶ Support tree planting program. Everytime the bin is full, one tree is planted.
- ▶ Promote reuse of clothing. Textile manufacturing industry is the 2nd largest polluter in the world causing 20% of global water pollution and 10% of carbon emissions.

Clean your closets and drop surplus clothing & shoes in the USAgain bin in our school parking lot. Thanks for supporting our fundraiser!

Items accepted: unwanted but good condition clothing, shoes, small accessories like handbags, belts, hats etc and household textiles like sheets drapes, towels etc.

If all 300 million Americans reused just one T-shirt, we'd save:

1 billion pounds of CO₂
210 billion gallons of water

According to the EPA
11.1 MILLION TONS
of textiles are trashed in the U.S. each year.

SO LET'S DO
SOMETHING
ABOUT IT.
